- 1) It is the Policy of WV Rapids Soccer Club that generally, players are most effective when playing in their own age brackets due to their physical size and muscle development. (I.e. 12 year olds playing with 12 year olds)
- 2) Players offered a position with any of the WV Rapids soccer teams will be placed on a team commensurate with the player's age unless in the sole opinion of the WV Rapids Soccer Club, the coaching staff of the team the player is aged to be on, and the recommendation of the coaching staff of the team the player is requesting placement on (as further outlined in the Constitution & Bylaws) deems that a player's skills would be best suited for an older age group.
- 3) Membership in the WV Rapids Soccer Club only guarantees training and not playing time in any matches.
- 4) Any paid registration fees are non-refundable.
